SUPPLEMENTARY INFORMATION:

Agenda:

The Scientific and Statistical Committee will meet to discuss the challenges the SSC has faced when applying acceptable biological catch (ABC) control rules for

Northeast multispecies (groundfish) stocks. They will also discuss the progress made on scoping a model for enhanced use of the SSC sociocultural and economics expertise in the SSC and Council process (*e.g.*, SSC subpanel on social science). They will receive an update on plans for the eighth meeting of the Council Coordination Committee's Scientific Coordination Subcommittee. Other business will be discussed as necessary.

Although non-emergency issues not contained on the agenda may come before this Council for discussion, those issues may not be the subject of formal action during this meeting. Council action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take final action to address the emergency. The public also should be aware that the meeting will be recorded. Consistent with 16 U.S.C. 1852, a copy of the recording is available upon request.

Special Accommodations

This meeting is physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to Thomas A. Nies, Executive Director, at (978) 465-0492, at least 5 days prior to the meeting date.

Authority: 16 U.S.C. 1801 *et seq.*
